

Fun Run 2018 UPDATE

Dear City Center Families,

We have rescheduled our third annual Fun Run! All of our students will be participating. This is a great opportunity for us to build community, for students to experience exercise in a fun and engaging environment and for the agency to have an opportunity to do a little fundraising at the same time.

Our new Fun Run date is Friday, December 7th!*

On your classroom's selected day and time, we would love for you to come and volunteer your time. We will need parents to record laps and run/walk with students. (If you have an infant or toddler, you might want to push them around the course in a stroller!) We are also looking for family members to cheer students on and help serve snack afterwards.

You have already received pledge sheet for our Fun Run. You may also use the one on the back-side of this letter. Please use this as an opportunity to ask friends and family members to make a pledge for every lap that your student runs/walks. Or they can make a flat donation to the program. You don't need to collect any money until after the Fun Run. Please note, students will run/walk a maximum of 10 minutes.

After the Fun Run, we will notify you how many laps your student ran/walked. You can then collect money from friends and family members and **return it to school by December 17th** in an envelope we will provide for you.

All proceeds from the Fun Run will benefit your child's classroom and help teachers with supplies and/or special events.
